

PEORIA SKI CLUB OPENS NEW HERITAGE HOUSE PIONEER BALLROOM

Heritage House Smorgasbord hosts Peoria Ski Club in brand new facility

The Peoria Ski Club inaugurated the all new ballroom at the Heritage House Smorgasbord last Friday evening with the club's annual dinner dance. The Ski Club was the first organization to have a dinner dance in the banquet facility.

After a buffet dinner many awards were presented to skiers who had performed certain skills on the ski slopes. A dance followed the

presentations. The dinner dance culminated a winter of ski activity for the club.

The new ballroom and banquet center at the Heritage is one of the largest facilities of its kind in the midwest. The Heritage House can now host up to six hundred people at one time for a banquet and the total seating capacity in the restaurant is one thousand. Additional buffet lines, a new large dance floor, an all new

Muzak sound and speaker system, large doors for bringing in display equipment, a new private banquet entrance, all add up to make this new banquet headquarters one of the finest in Illinois.

It is projected that over one hundred thousand people will use the new banquet facilities during the first year for social banquets, sales meetings, wedding receptions, and conventions.
